U. S. CUSTOMER ORDERING PROCEDURES

CATALOGS

Technical publications available for purchase are listed in two catalogs:

5001019 lists technical publications used with B 7000/B 6000 EDP Systems and which are available only through Burroughs California Distribution Center.

1130010 lists publications used with all other systems and equipment and which are available from Burroughs Michigan Literature Distribution Center.

ORDER FORMS

Use Order Form 3020003(Rev 3/80) to order technical literature listed in this catalog. This order form **must** be attached to any customer purchase order. Send **three** copies of the order form to the Michigan Literature Distribution Center. Retain one copy for your files.

All orders must include **complete** accounting and shipping information. Incomplete or incorrectly filled out orders will be returned.

The top portion of the form should be completed with the following information, obtained from your local Burroughs office:

- Burroughs Pro Number (District and Branch Number). If you obtain order forms through the branch, they will fill in this number for you. Otherwise, obtain the number from your account representative.
- Customer/Contract Number. This is the 8-digit "Bill To" identification number for Business Machines Group customers, or the contract number for Federal and Special Systems Group customers.
- Your "Deliver To" identification number, if different from the "Bill To" identification number.
- Applicable sales tax rate for your state and municipality, if applicable.
- Billing Code. Enter the number 4.
- Discount (indicate if bookstore, school or library).
- Customers of Federal and Special Systems Group must provide purchase order number.

Orders should be mailed to: Burroughs Corporation
Michigan Literature Distribution Center
P.O. Box 370
Dearborn, MI 48121

Additional copies of the catalog 1130010 and the order form 3020003 may be obtained from your Burroughs representative or from the Michigan Literature Distribution Center. For information on publications relating to Burroughs B 7000/B 6000 Series Systems, contact Burroughs California Distribution Center, P.O. Box 4040 El Monte, CA 91734. Contact your Burroughs representative for information about any other forms.

NOTE: All International Group customers should place literature orders with their local Branch/Subsidiary or Distributor office.

BURROUGHS INTERNAL ORDERING

Burroughs representatives see FMM 8.14.2 for instructions on use of the order form for internal purposes.

RUSH ORDERS

Rush orders will be shipped within 24 hours from their receipt in Dearborn, Michigan (excluding weekends and holidays) via the fastest available carrier. A special handling charge of \$3.00 per package, plus actual shipping charges, will be made for all rush orders.

BACK ORDERS

If an item is temporarily out of stock, the request will automatically be placed on back order, and the customer notified. If only a partial shipment of a form can be made, the balance will be placed on back order. The back order will be filled automatically when the item is reprinted.

ORDERS FROM INDIVIDUALS

If you do not have an established account with Burroughs, you may order technical literature through any Burroughs office by paying the cost of the material, package handling charge and tax. Prepaid shipment will be made direct to your address.

ORDER INQUIRIES

When requesting the status of an order, please supply the Michigan Literature Distribution Center with the following information necessary to facilitate tracing:

- Order Number (the number in the upper right-hand corner of Literature Order, form 3020003).
- Date mailed to the Michigan Literature Distribution Center.
- Your Customer "Bill To" identification number.
- Company Name and Address.

Telephone number (313) 972-9072 has been established solely to assist you in tracing orders.

DISCOUNTS

- A. The following discounts apply when any single title published by Burroughs is purchased in quantities of ten or more on one order:

1 to	9 copies	Single-copy price
10 to	49 copies	10 per cent
50 to	99 copies	20 per cent
100 to	499 copies	25 per cent
500 and over		Special quotation on request

- B. **BOOKSTORES, SCHOOLS AND LIBRARIES** –

Within the United States, a 20% discount off the list price is offered, unless the number of copies ordered qualifies for a larger discount.

CHARGES

For routine orders and for automatic distribution of revised manuals, actual shipping costs by U.S. Postal Service, United Parcel Service, or freight, and a handling charge \$1.00 per package, plus applicable taxes, will be added to the invoice.

For rush orders, actual shipping costs by fastest available carrier, and a special order handling charge of \$3.00 per package, plus applicable taxes, will be added to the invoice.

All prices, terms, charges and discounts are subject to change without notice.

CUSTOMER SUBSCRIPTION SERVICE

Customers who elect to order the Customer Subscription Service will:

- A. Receive, at no charge, a single copy of the Customer Technical Publications Catalog and Price List (1130010) which is an index of all publications available for purchase by Burroughs Customers. This will be mailed automatically each time it is published.
- B. Be able to request automatic updating of manuals. This is available only to customers who have ordered subscription service. Automatic updating is accomplished in one of two ways, depending upon the extent of changes:
 1. Publication Change Notices (PCNs) are issued when only a few changes are being made. Subscription Service customers can request the number of copies of PCNs needed to update their manuals, and these will be shipped automatically without charge as they are issued. To order, indicate the number required in the "Quantity Automatic Updates" column.
 2. A new manual is issued to replace an existing one when there are substantial changes. Subscription Service customers will be shipped the same number of copies of the new manuals as they have requested PCNs. These manuals will be shipped as they are issued, and customers will be charged for the manuals as well as for shipping and handling costs.

No automatic updating is available for such items as coding forms and binders.

The cost of this Customer Subscription Service is \$50 per year per customer "Deliver To" location. It will be renewed automatically at the end of 12 months unless the Michigan Literature Distribution Center is notified in writing that the service should be discontinued. To apply for subscription service check the "Customer Subscription Service" box on the order form after furnishing all required information at the top of the form.

INSTRUCTIONS FOR USING CATALOG

ABBREVIATIONS

Following is a list of abbreviations used in this catalog.

<u>Short Form</u>	<u>Long Form</u>
Acctg.	Accounting
A/P	Accounts Payable
A/R	Accounts Receivable
Asynch.	Asynchronous
Cap. Man.	Capabilities Manual
Coml.	Commercial
DDA	Demand Deposit Account(ing)
Finl.	Financial
G/L	General Ledger
I/L	Installment Loan
Info. Man.	Information Manual
Inst. Man.	Installation Manual
Mgmt.	Management
Oper. Guide	Operational Guide
	Operator's Guide
Oper. Man.	Operator's Manual
	Operation Manual
	Operational Manual
Ref. Man.	Reference Manual
Synch.	Synchronous
Term. Oper. Man	Terminal Operator's Manual
User's Man.	User's Manual

DATE

The date given is the date of the latest printing for each publication.

PCNs

If a Publication Change Notice has been issued for a publication, the number of the latest PCN is shown at the end of the publication title in parentheses, e.g., (003). The PCNs incorporated in each publication are listed on the back of the title page.

BILLING

Customers will be billed with their regular monthly statement for purchased literature, shipping and handling, and applicable taxes.

REMINDER

To aid you in ordering, fill in the spaces below with the information required on the order form, as provided by your Burroughs representative. Transfer this information to future catalogs.
